

UnitedHealthcare Renewal Program Guidelines

Extract

Program year: 2026
Carrier: UnitedHealthcare
Client segment: mid-market group renewal

Contribution guardrail

For this renewal segment, employer annual contribution support should remain within the assigned group cap before package release.

Secure channel rule

Carrier-facing materials should use approved secure submission channels. Unverified or pre-release census files should not be sent externally.

Item	Program value	Review note
Employer contribution group cap	\$520,000	Current contribution package must remain under this cap
Standard filing review fee	\$0	No added portal fee for standard review
Expedited portal fee	See carrier notice	Requires separate approval if selected
